Enjoy the beautiful, serene country of Sri Lanka, stay at the best hotels and resorts that Sri Lanka has to offer.

Travel to Galle, the epic Southern capital, it is the intersection where classic Dutch architecture meets a tropical setting creating a vivid atmosphere in beauty.

Walk the Dutch-haunted streets listening to the creaks of wooden saloon doors and observe how European architecture mingles with South Asian traditions today flooding cultural enthusiasts on a global scale. Its original ramparts and bastions preserved up to date showcase evidences of a heritage preserved for more than 3 1/2 centuries.

See with your own eyes, the Udawalawe National Park with its soaring highlands, one of the world's best places to see wild elephants.
